## EXHIBIT INFORMATION & RULES

- **Outside 12 x 12 booth spaces.** No shade, bring a canopy that fits completely within your area.
- **Limited electricity** is available; apply early if you need power.
- **Booth fee for hand-crafted items:** \$50 per 12 x 12 foot outside space.
- **Commercial non-hand-crafted**, in keeping with the theme of the area; lodge decor, fish and wildlife, not swap meet stuff \$100 per 12 x 12 outside space.
- **The Island Park Library Friends** group draws a crowd with its baked goods and book sale and author's table selling and autographing books. The event is a member of the Island Park Area Chamber of Commerce and is well promoted in the local media!
- **All booth space rental fees** go to the IPLF to enhance area library services; vendors retain all profits. Originally, the IPLF showcased only local talent. Recently, the IPLF opened the show for outside artists, but wish to retain hand-made, hand-crafted charm. Please do not bring cheap plastic toys, marshmallow guns (this is grizzly bear habitat), silly/spray string, poppers, stink bombs or fireworks of any kind. Failure to abide by this simple rule will result in your immediate expulsion from the show without refund.
- **Craft criteria:** original handmade and fine commercial crafts. We try to limit duplication, so the more information you provide, the better. Products not listed on your application will not be allowed. Crafts will be juried by crafters, and a photograph of your product is appreciated; we may use it in our advertising.
- **Set-Up Friday morning.** Check in with a clipboard-toting IPLF member; all booth spaces are pre-assigned.
- **Hours:** Friday noon 6 p.m., Saturday 10 a.m 6 p.m. Sunday noon to 4 p. m. After noon Friday, you may open earlier and close later.
- **Admission and parking are free** to the public.
- **Buffalo Run** sells pizza, drinks, espresso, a great stop for tourists heading to Yellowstone National Park, and a great local favorite. Buffalo Run has a convenience store, laundry, rental cabins, an RV park with full hookups just steps away from world-class trout fishing in the Henry's Fork of the Snake River.
