WEST YELLOWSTONE-OLD FAITHFUL CYCLE TOUR September 25, 2010

The West Yellowstone Chamber of Commerce is pleased to announce the date of the annual fall cycle tour from West Yellowstone to Old Faithful will be September 25, 2010. Up to three hundred and fifty recreational bicyclists will travel the sixty mile route along the Madison and Firehole Rivers. Families, friends, and small groups will enjoy the breathtaking scenery of Yellowstone in the fall. Pedal past gurgling geysers, bugling elk, and golden aspen trees for a truly unique national park experience. The cycle tour is a supported ride. Shuttles will be available for those who do not wish to ride the entire 60 miles, bicycle mechanics patrol the route and are available to help with flat tires and minor repairs, and two feed stations will be located at Madison Junction and Old Faithful with water and light refreshments. The tour wraps up with a group dinner from 4-6pm at the Chamber of Commerce building. September 25th also marks National Public Lands Day and Yellowstone National Park will waive the entrance fee to all cyclists and vehicles that day. The tour is limited to the first 350 riders to register online. Registration information, fees, tour details, and information on biking opportunities in the area can be found at www.cycleyellowstone.com.
